**Summary of Legislation:** (Amended) *Presuit Notice*- The bill combines two separate Indiana Code provisions concerning the presuit notice required in residential foreclosure proceedings into one section. The bill repeals one of the provisions being combined. The bill provides that the presuit notice must inform the debtor that if the creditor obtains a foreclosure judgment, the debtor has a right to do the following before a sheriff's sale is conducted: (1) appeal a finding of abandonment by a court. (2) redeem the real estate from the judgment. (3) retain possession of the property, subject to certain conditions.

*Praeipie Filing*- The bill provides that an enforcement authority that has issued an abatement order for a vacant or abandoned structure may under certain conditions file a praecipe for the sale of the property with the clerk of the county after 180 days have elapsed from the date a foreclosure judgment and decree is filed, if the party that is entitled to enforce the judgment has not itself filed a praecipe.
